TRACK DAY at SHANNONVILLE **FRIDAY JUNE 25, 2010**

Here is a rare opportunity to safely drive your LBC on a track instead of regular roads and really have some fun.

The MG Car Club of Toronto as part of MG 2010 (www.mg2010.com) is holding a track day at Shannonville Motorsport Park, Shannonville, on Friday June 25th and we still have some open spots which we are offering to other vintage British Car Clubs. In the UK Track Days are very popular and are held at a circuit somewhere almost every month. We are being assisted in this event by the St Lawrence Auto Club of Kingston.

The format will be as follows:-

- A pre event drivers meeting run by the St Lawrence Club at 8:30 a.m.
- In the morning you will get to drive 6 laps on the LONG TRACK, about 25 kms, accompanied by an instructor from the St Lawrence Club who will guide you on the best lines through the course.
- There will be a break for lunch at your own expense but food will be available on site.
- In the afternoon you get another 4 laps, this time on your own where you will be timed for consistency in the middle two laps.
- Participants will receive to keep a European style rally board, individually numbered.
- Emergency services will be on site all day and helmets will be provided free for all drivers.
- Cars will have to pass a technical inspection as laid out on the application form.
- The bargain fee for this event will be \$75.00 plus GST.
